A Greeting from The Bishop

Welcome Dear Friends,

What a joy and privilege to invite you back in-person to our Annual Diocesan Convention!

I am so very grateful for all of you and your ministry during these past two and a half years of the Covid Pandemic. It was certainly a trying and exhausting period, but our Clergy, pastoral leaders, and Congregations as a whole have been faithful, attentive, creative and caring during it all. I could not be more proud of the way we have held together with and for one another, and for our communities. Well done, thou amazing, good and faithful servants!

And now we have such an opportunity to come back together with a renewed commitment to walk with Jesus in the “Way of Love”, as we embrace more deeply our efforts in becoming the Beloved Community.

Our focus this year will be addressing the history of and ongoing affects of the colonization of the Americas by Northern Europeans, vis a vis the Doctrine of Discovery. Our intent will be to know how our own histories and that of our Christian heritage contributed to this horrific treatment of the Native peoples who shared this land for millennia, and how we might enter into repentance, reconciliation and reparation with the original people’s of Eastern Oregon. We will do so with the gracious help of our own group who have been working on the major resolution repudiating the above referenced Doctrine, and with Indigenous speakers who will guide and challenge us. And we will do so in the name of Jesus, and in obedience to our baptismal promises.

It is my hope that many within the Diocese, and beyond, will join us as well virtually as we embark on this faithful journey of creating Beloved Community.

A handwritten signature in dark ink, appearing to read "Patrick", with a large, stylized initial "P" that loops around the first few letters.

+ Patrick
